The resin light pipe at the centre of the bulb is where all the magic happens, allowing the bulb to create a subtle ambient light whilst at the same time throw focused spot light onto tables & surfaces below. The bulb fits in any E27 screw light fitting, but looks especially great when teamed up with our Heavy Metal or Hooked lighting ranges. 7.5 Delivery dates are estimates only, and time of delivery is not of the essence. If delivery is not accepted within ten Business Days, Buster + Punch may resell or dispose of the Products and charge the Customer for any shortfall or refund any surplus after costs.  
7.7 Buster + Punch may deliver up to 5% more or less than the quantity of any individual Product ordered, and the Customer shall pay for such quantities delivered pro rata, provided that such variation does not materially affect the overall Order or its intended use and such variation shall not constitute a breach of clause 8.1(a).  
7.8 The Customer must inspect the Products promptly following delivery and

notify Buster + Punch in writing or by email to [info@busterandpunch.com](mailto:info@busterandpunch.com)  
(a) of any shortage, mispick, incorrect Products or other delivery error within 10 Business Days of delivery; and  
(b) of any defects in the Products within 30 days of delivery (Warranty Notice), including supporting images where applicable.  
7.9 If no Warranty Notice is received within this period, the Products will be deemed accepted, and the Customer shall not be entitled to reject the Products or claim for breach of the Warranty, except for defects not reasonably discoverable on inspection.  
7.10 Upon request, defective Products must be returned (unaltered) within 10 Business Days of the Warranty Notice at the Customer's risk and expense, provided that Buster + Punch shall reimburse reasonable return costs where the Products are confirmed to be defective.  
7.11 Buster + Punch will determine whether the Products comply with the Warranty and, if not, may at its discretion:  
(i) replace the Products; or  
(ii) issue a refund of the net price paid.  
These remedies are the Customer's sole and exclusive remedies.  
7.12 Products may be returned within 30 days of delivery if unused, in their original packaging, and accompanied by proof of purchase. The Customer is responsible for all return shipping costs.  
Buster + Punch is not liable for lost or damaged returns or returns received after this period. Returns outside this period may be accepted at Buster + Punch's discretion and may be subject to restocking or repackaging fees. Any applicable restocking fees shall be applied in accordance with Buster + Punch's returns policy.
